

Dress Your Business in Teal & Purple

A friendly storefront competition for local businesses and agencies.

SEPTEMBER 13-19, 2026 • ENTRIES OPEN COMMUNITY-WIDE

This September, the Suicide Prevention Coalition of Cattaraugus County is inviting local businesses to turn their storefronts/waiting rooms into a visible message of hope. Deck out your windows, doors, and displays in teal and purple — the colors of suicide prevention awareness — and help our community start conversations about mental health.

HOW TO ENTER

1. Decorate your storefront in teal and purple, any style you like.
2. Photograph your display during the week of Sept 13-19.
3. Submit your photo to the coalition for judging.

WHY IT MATTERS

Every decorated window is a public signal that our community cares about mental health and that support is always within reach. Businesses are powerful messengers — this is a simple, visible way to help save lives.

Suicide Prevention Awareness Award

The winning business will be presented with this award live at the United 4 Hope Walk on September 26 in Lincoln Park, Olean.
